TV Bilingual Spaces in American News Media

**Understanding translanguaging
and media practices**

Jessica Retis, Ph.D.

**Professor. Director Bilingual Journalism M.A.
Center for University Education Scholarship
(CUES) Distinguished Fellow
The University of Arizona**

This guest lecture analyzes the origins, development and future of bilingual spaces in the American news media landscape with emphasis on broadcast media. Based on a decade-long research, it examines how Hispanic media has and continue serving bilingual and bicultural audiences. It also addresses preliminary findings of a research project on bilingual journalism education in the United States
